1-050001	Regenerating Serum	30 ml	<p>REGENERATING SERUM The rejuvenating and adaptogenic plant active complex gives the cells important impulses for new formation and regeneration. The intensively acting serum strengthens the fine capillaries. The skin can absorb more oxygen. The vital energy of the skin is increased. At the same time, the moisture deposits in the skin are refilled and the cells are flooded with moisture. The skin gains new elasticity and the supporting tissue is strengthened. You will experience an immediately firm, fine-pored complexion with silky smoothness. The skin feels fresh and alive. Wrinkles are visibly reduced. With regular use, pigmentation spots appear noticeably paler. The delicate fragrance of real Bourbonnais rose and fine orchid harmonizes skin and soul. Ideal for demanding skin.</p> <p>APPLICATION: Apply the serum to your skin in the morning and evening, spreading it over your face, neck and décolleté with your fingertips. Gently sweep it from the center outward. Then use Regenerating Fluid or the Regenerating Cream. This way you will achieve the highest effect.</p>	Aloe Barbadensis Leaf Juice1, Glycerin, Bellis Perennis Flower Extract, Aqua, Phyllanthus Emblica Fruit Extract, Sodium Hyaluronate, Ganoderma Lucidum Powder, Avena Strigosa Seed Extract, Argania Spinosa Sprout Cell Extract, Centella Asiatica Extract, Leontopodium Alpinum Flower/Leaf Extract, Gynostemma Pentaphyllum Leaf Extract, Kigelia Africana Fruit Extract, Rosa Damascena Flower Oil, Lavandula Angustifolia Oil, Lecithin, Levulinic Acid, Sodium Levulinate, Glyceryl Caprylate, Isomalt, Xanthan Gum, Phenethyl Alcohol, Parfum, Potassium Sorbate, Sodium Benzoate, Limonene*, Linalool*, Coumarin*, Citronellol* 1from certified organic agriculture 2from natural essential oils		VEGAN		
1-050002	Regenerating Fluid	30 ml	<p>REGENERATING FLUID The aging process of the skin begins due to moisture loss.
